Wilbur Donaldson, Herdsman

Left—Cruggleton Allardice is the senior sire at Marellbar. He was imported in 1947 and has proved himself a great sire of show animals. First prize senior and junior get at the 1950 Illinois and Wisconsin State Fairs, first prize junior get at the American Royal, first prize pair of calves at the International and the reserve champion female at the Toronto Royal were all by him. He is a son of the renowned Ascreavie Duthie, Dam, by Cruggleton Dunrel.

Right—Glastullich Spearhead is the senior stock bull at Susanna, and "the best bull we ever used" according to Mr. O'Bryan. He was second in class at Perth and is a son of Glastullich Fortress, sire of the 1947 Perth champion, Glastullich Smasher. His dam is a daughter of Harviestoun Golden Glory. His get and service make up an important unit in this sale.

Left—Corrimony Fort Augustus is the junior herd sire at Kickapoo Farms. He was imported from the 1949 Perth show and sale and his first calves show much promise. He is a son of the great Magheramorne Commodore. His service is a feature of the entries from Stanley G. Harris herd.

Right—Lawton McGregor has sired some of the best calves ever produced by Spring Willows Farm at Union Grove, Wisconsin. Four of his daughters will be found in this offering. He is a son of Kinellar Bugler and out of a Lawton Broadhooks dam.

Right—Muirside Prince Edward, the junior herd sire at Marellbar, was purchased at the 1950 Perth show and sale and arrived at Marellbar in ordinary breeding condition. He was made grand champion of the 1950 Toronto Royal Winter Fair that fall and since has developed into a wonderful bull. He is by Bapton Battleship, a sire of many famous prize-winners. His dam is by Cruggleton Annexe, and his grand-dam is by the great Cruggleton Perfect.

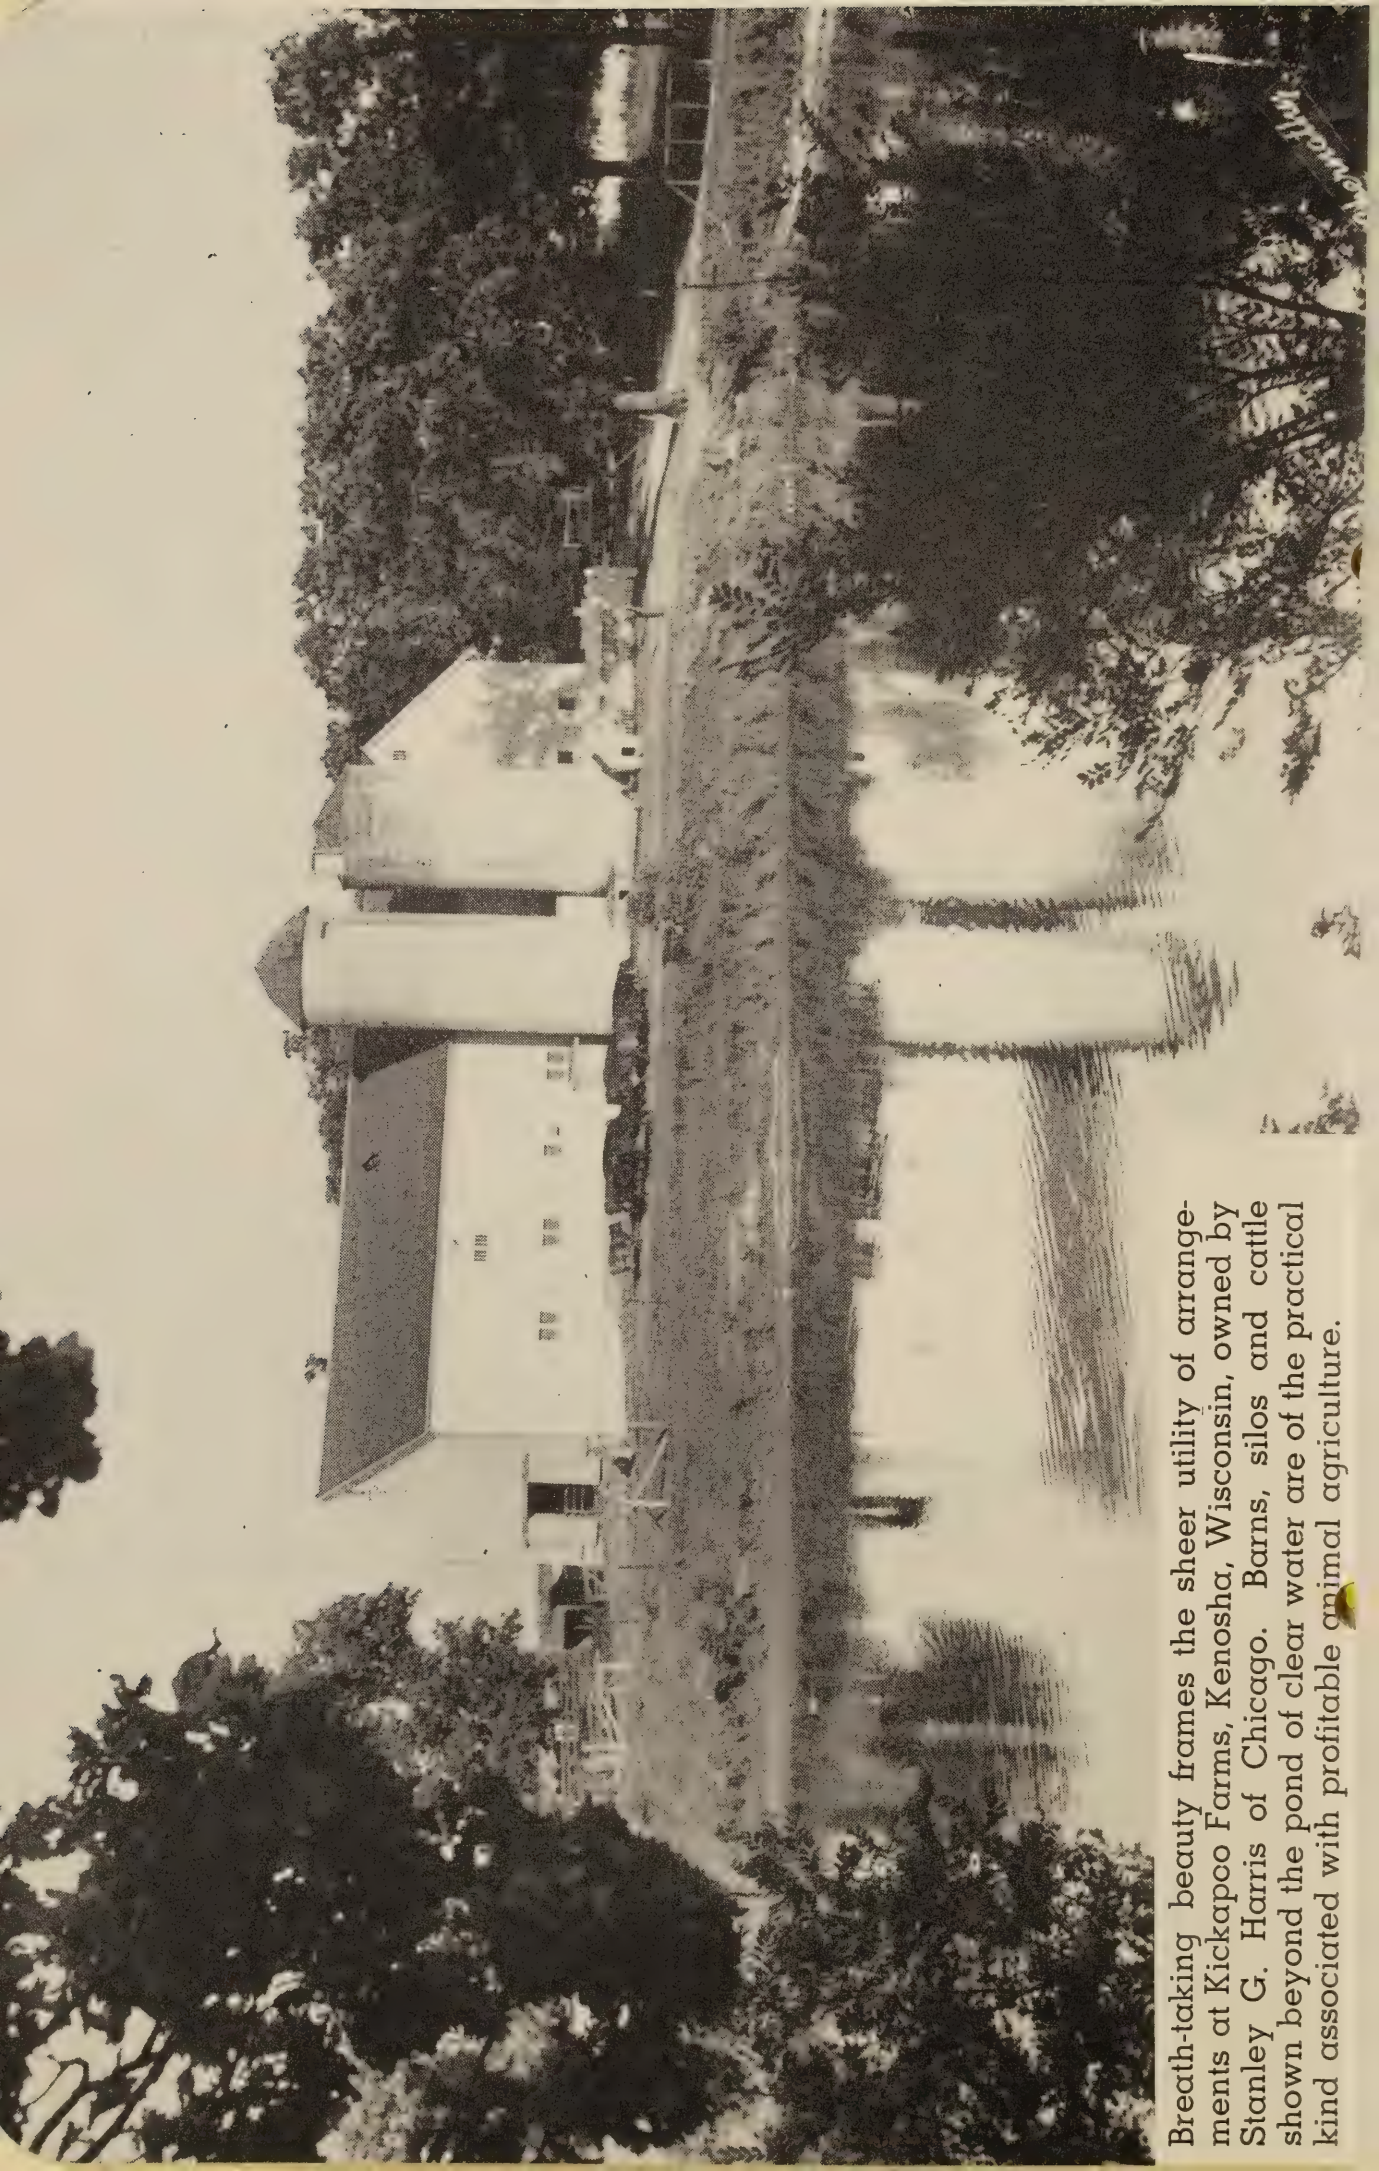

Left—Scotsdale Bombardier has been termed "the greatest herd bull at Anoka Farms since the days of Whitehall Sultan." He was the 1948 International grand champion and was purchased for \$4800 in the 1948 International Congress by Frank W. Harding. He is a son of the famous OAC Mayflower's Ransom and is out of an A. J. Marshall-bred dam. A son and a daughter are a strong feature of this sale.

Right—Cruggleton Johnston is the senior sire at Kickapoo, a son of the renowned Ascreavie Duthie. He sired the grand champion Congress female at the 1950 International, second prize pair of calves in a class of 26, second prize pair of females in a class of 22, and third get of sire in a class of 23. His get and service are a unit of this sale.

Left—Don Hill Royal Leader 33rd was reserve grand champion bull of the 1950 Sioux Empire Fair and a full brother to the well-known Edwin Royal Leader. He was purchased at \$3100 in the 1950 International Congress sale by Anoka Farms and is now junior herd bull at Anoka.

Breath-taking beauty frames the sheer utility of arrangements at Kickapoo Farms, Kenosha, Wisconsin, owned by Stanley G. Harris of Chicago. Barns, silos and cattle shown beyond the pond of clear water are of the practical kind associated with profitable animal agriculture.

These cows keep their young calves hidden in the tall grass. The farm is located near Greenville, Illinois, owned by William Bartholomay, Jr. From this farm, the seedstock is supplied that improves the quality and low

the tall grass of the pastures at Marellbar Farms, Liberty-
From this and the herds of other consignors to this sale,
and lowers the cost of beef for American consumers.

The Marellbar Kind

We are extremely happy to have our neighbors join us in this auction, and it is their spirit of cooperation that makes this sale possible. Anoka Farms—Mr. & Mrs. Stanley Harris—Mr. & Mrs. Chas. Butland—Mr. S. J. O'Bryan—Mr. Harry Knaack, are to be congratulated on their splendid consignments and join us in extending to you a most cordial invitation to be our guests at Marellbar, Tuesday, June 5, 1951.

It was our intention when planning this sale that our offering would be made up completely of cattle produced in our own herds, but in order to balance the selling order we have included two imported heifers that were brought over last year to retain in the Marellbar herd.

You will find this offering composed only of the very best bloodlines obtainable and of the type and kind that have made Shorthorn cattle famous the world over.

Am very pleased with the cattle we are selling as well as our consignors, and I sincerely hope you will be present on June 5th.

John C. Blume, Manager

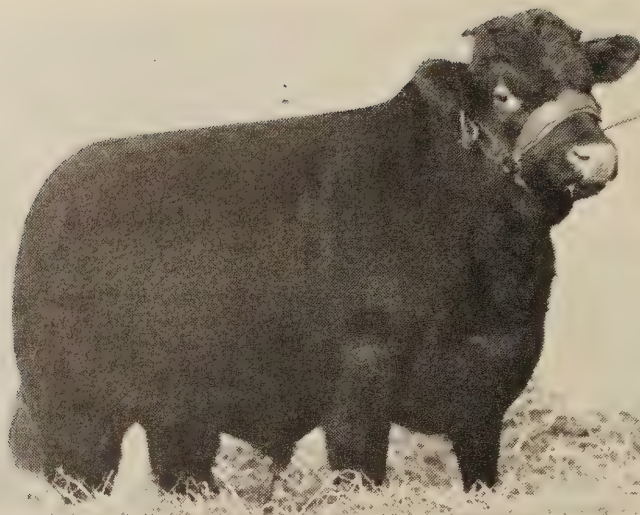

Cruggleton Allardice

CRUGGLETON ALLARDICE has proven himself a great sire. He sired the first prize senior and junior Get of Sire group at the Illinois and Wisconsin State Fairs, first prize junior Get at the American Royal, first prize pair of calves at the International, Reserve Champion Female, Royal Winter Fair, Toronto. One of his sons, Marellbar Prediction, was the first prize senior bull calf at several of the big shows and sold to Mr. Howard at McHenry, Ill., for \$5000. Another of his sons was sold by Reser and Siverling for \$3000 at Walla Walla, Wash., to the famous herd of Charles Broughton, Dayton, Wash. Cruggleton Allardice is out of the same dam as Cruggleton Achilles being used with much success in the Cruggleton Herd. A son of Cruggleton Achilles is now being used in the Gallinger herd, Edmonton, Alberta. We have retained a number of his daughters in our herd because of their beautiful heads, type and colors. His five sons and six daughters in this auction will compare favorably with a like offering of any one sire to be sold in America.

Muirside Prince Edward

MUIRSIDE PRINCE EDWARD has developed into a wonderful bull, and we have refused many tempting offers for him. We will have a number of his calves by sale day so you may judge his ability as a sire. He was purchased at the Perth Show and sale last year. He arrived at Marellbar, June 1st, and in ordinary breeding condition was made Grand Champion at the 1950 Toronto Royal Winter Fair. He was also at the head of first prize Breeder's Herd at this show.

His sire, Bapton Battle ship, is sire of many famous prize winning bulls and females in shows all over the world. His dam, Princes Esther, is the best cow in the Muirside herd. Her sire is Cruggleton Annex, a famous sire in Mr. Marshall's herd and one of the best in Scotland. The next four sires in her pedigree are the bulls that have made the Cruggleton herd. This Princess Royal family has produced many of the highest selling bulls and females in the Cruggleton herd.

Standard Guarantee

OF

AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calftlood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
